Contributors:

Research, compilation, and writing: Paul Zachman
Research, writing, editing, photography, graphics, and layout: Bob Corby
Proofreading: Linda Habeeb

Section 5A of this document, entitled “Rehabilitation Standards for Postwar Houses,” was prepared for the Village of Pittsford by the Landmark Society of Western New York. The project was managed by Katie Eggers Comeau, with research and field work conducted by Daniel Palmer and Nimisha Thakur.

Funding for the printing costs associated with this project were provided by a grant obtained from the Certified Local Government Program administered by the Field Services Bureau of the New York State Office of Parks, Recreation, and Historic Preservation.
