All proper insurances must be submitted for NYS Workers Compensation and NYS Disability or a NYS Exemption Form, all in compliance with Section 57 of the Workers Compensation Law or Section 125 of the General Municipal Law.

Acceptance and/or approval of this permit application does not relieve the Agent, Applicant, Contractor, Architect, Engineer, or Owner from complying with the provisions of the NYS Uniform Fire Prevention and Building Code, 2015 ICC adopted Codes and/or the Laws of the Village of Pittsford, New York, whether stated, implied or omitted in the information submitted for this permit.

- Any and all work related to this application shall not be started until the issuance of a Building Permit. Any deviation from the information provided with the application is required to receive approval from the Building Inspector and/or others as determined by the Building Inspector, prior to implementation. This approval of changes must be in writing.
- All work, for which this permit has been issued, shall be completed within one year from the date of issuance of the permit. If work has not been completed, the permit shall expire unless the applicant has applied for and received an extension approval.
- No portion of the work proposed shall be used or occupied, in part or in whole, until a Certificate of Occupancy or a Certificate of Compliance has been issued.

Building Permit Acknowledgement

I acknowledge that I am applying for a Building Permit and that I have read all previous conditions of the Building Permit Application. I affirm that all work will be done in accordance to the drawings, sketches, and information provided:

I give permission for the Building Inspector and/or his appointee to access my property in order to conduct inspections and investigations for the completeness and compliance of the proposed and approved work:
