HAPPY RETIREMENT LINDA HABEEB

On Tuesday, January 26, 2021, a socially distanced staff gathering was held to wish staff member Linda Habeeb a wonderful retirement.

For the last 17 years Linda has served as secretary for the Village Planning and Zoning Board of Appeals and the Village Historic Preservation Board and has also provided clerical support in the Village Office. Linda is an excellent writer and proofreader. We will miss her skills but more so her always pleasant presence in Village Hall.

On behalf of all of us at the Village, I want to thank Linda for her excellent service and extend best wishes for everything that lies ahead.

WELCOME TO OUR NEW STAFF

Due to the fiscal uncertainty and other challenges posed by the COVID-19 crisis, several office staff positions were left open during the last year. The Village of Pittsford, like most villages in New York State, operates on a June 1 fiscal cycle. Now that we have successfully gotten through more than half of the fiscal year, the Village Treasurer has recommended finally filling the empty positions.

Two Deputy Clerks have been hired to provide much needed administrative support in the Village Office. Marina Pacheco will fulfill the responsibilities previously performed by Linda as well as many other tasks managed by Village Clerk, Dorothea Ciccarelli. Brooklyn Thomas, who arrives with banking experience, will be working under Village Treasurer, Mary Marowski.

Marina is an animal lover and has two cats and a dog. She is also an avid disc golf player. Brooklyn, a John Marshall High School graduate, coaches youth football and has a strong interest in fashion design. We are excited to welcome Brooklyn and Marina to be part of the Village team.
