Subject: Community Art

Hi Village Board,

Our non profit Pittsford CommUNITY has been coordinating several events for a community Art project this year. We have been in a Pittsford elementary school in an after school art club (that art will be hung in the school) and to the Highlands, as well as hosting several times in the library meeting room for the general public, and specific groups.

We have collected/curated many 6in square tiles from our amazing community members and arranged them in frames that are 2 feet by 3 feet long. These will be hung at PYS and the library display case in June to mention a couple other places. Our aim was to create signs of welcoming throughout the community for Pride month, to spread that sense of community support/belonging.

A group member Cathy Doyle is coming to the board meeting tonight to donate one to the village.

We are attaching the actual one we plan to donate as specific wording is important. Should you have wall space for June (and beyond if you wanted to keep it up all year) we hope you will accept it.

This particular one has a special place for me personally as my 5 year old child (who attends JRE) and 11 year old niece(who attends CRMS) made two of the squares.

Thanks for your consideration and we also extend immense gratitude for your open welcoming support of the broad community which is shown by Pride being on your agenda.

Sincerely,

Annalise

On behalf of Pittsford CommUNITY group

Emme L
